

FAIRFIELD GLADE SPORTSMAN CLUB

We are a non-profit Trap, Skeet, Pistol, Rifle, and Cowboy SASS club. We are proud to serve nearly 500 members annually, with weekly events, open times for range use, and monthly steak fries in the Summer.

The annual \$75 membership fee covers the entire family, including children under the age of 18. New members joining during the year will receive a prorated membership fee for that year.

Although our Trap and Skeet Ranges are open to the public, members enjoy reduced shooting fees, and exclusive use of our rifle and pistol ranges.

**Rifle & Pistol Ranges
are for Members only.**

Rifle and Pistol Programs

We have a variety of pistol programs available to members. Among our 10 programs are NRA Bullseye, Police Pistol combat, 3 varieties of metal target shooting, Personal Defense gun practice, 3-Gun, and several types of Cowboy [SASS.]

In addition, members can practice on either of our ranges whenever they are not in use by one of the above programs. In order to be a good neighbor, we do not shoot at night or very early in the morning.

We also provide mentoring to new shooters who may be just starting out in the Pistol Sports. All interested parties are invited to stop by any Wednesday to observe and get acquainted. We also serve the public and our members with twice yearly safety programs.

In winter we normally begin shooting at 1PM on appointed Wednesdays. When the time changes we shoot summer hours beginning at 9AM. Check our website for updates

TRAP &
SKEET

Our clubhouse is open and attended on the following days— Thursday , Saturday, and Sunday.

We have winter and summer hours, being open from Noon till Dusk in the summer, and from 11AM till 5PM in the Winter.

We change from one timing to the next when the clocks are changed each Spring and Fall.

We charge \$5.00 per round of 25 birds for guests, members receive a discount of \$2.50. You must supply your own shotgun and ammunition, however we have ammunition for sale at reasonable prices, and have several loaner shotguns as well.

We provide a safety briefing to explain our posted range rules, and can assist with one-on-one shooting tips for new shooters or to help you break those targets.

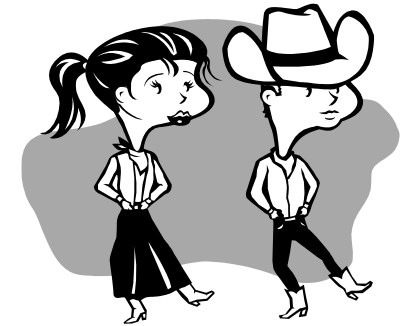

Youngsters as young as 10 years (depending on their size) can participate, so bring the entire family out to FFGSC.

You do not have to be a member to shoot

Cowboy Action ie S A S S

Cowboy Action Shooting is a multi-faceted shooting sport in which contestants compete with firearms typical of those used in the taming of the Old West: single action revolvers, pistol caliber lever action rifles, and old time shotguns. The shooting competition is staged in a unique, characterized, "Old West" style. It is a timed sport in which shooters compete for prestige on a course of different shooting stages.
