Our RSO Dick Gerlach is proposing to introduce a program -'Tactical Shotgun' - which will involve steel targets and magazine reloads. However, given the uncertainty of the weather for Jan & Feb, the inauguration of the program will wait for warmer weather.

In Nov 2011 – a month with 5 Wednesdays – we scheduled, for the fifth Wednesday, “Multi-Target ACTON” pistol. Therefore, *to alternate schedules for 5th Wednesdays*, we are scheduling “PPC etc” for February. Thus following that pattern; in May we will schedule “Multi-Target ACTION” pistol; in August we will schedule “PPC etc”; and, in October we will schedule “Multi-Target ACTION” pistol.
